OBJECTIVE

Aspiring Full-Stack Web Developer with hands-on experience in MERN Stack and Next.js, seeking an internship to contribute to real-world projects. Passionate about building responsive, scalable web applications and continuously enhancing technical skills while learning from industry professionals.

ABOUT ME

Experienced Network Administrator with over 5 years in managing ISP infrastructure, troubleshooting Ethernet/Wi-Fi issues, and optimizing network performance. Known for excellent customer support and hands-on experience in configuring routers, switches, and ONUs. Now aiming to further specialize in enterprise-level networking roles.
